DUAL-USE DECLARATION

To whom it may concern:

We undersigned are the manufacturer of **TRACOPOWER** products and declare that:

TRACOPOWER refers to standard Power Supply and DC/DC converter products.
TRACOPOWER products are designed to be industrial, commercial or residential system components.
TRACOPOWER products are clearly NOT deemed to be inherently military in character.

EUROPE:

Materials of the type of **TRACOPOWER** products are not included in the list of dual use items and technologies referred to in Council Regulation (EC) No 1334/2000 and its amendment Council Regulation (EC) No 1183/2007.

USA:

TRACOPOWER products are neither EAR99 classified, nor require an ECCN (Export Control Classification Nr.). (EAR99 classification indicates that a particular item is subject to the Export Administration Regulations (EAR), but isn't listed with a specific Export Control Classification Number (ECCN) on the Commerce Control List (CCL)).

NOTE:

TRACOPOWER products isolated neither fall under ITAR (International Traffic in Arms Regulations) restrictions, nor under the Wassenaar Arrangement on export controls for conventional arms and dual-use goods and technologies. It is not the duty of TRACO, to extend its control over additional treatment or final use of **TRACOPOWER** products. **TRACOPOWER** customers must ensure themselves, that their commerce complies with all applicable regulations.

Company Name and Stamp

TRACO Electronic AG (TRACO)

Place, Date and Signature

Zurich, February 9. 2009

A handwritten signature in blue ink, which appears to read "Michael Bruderer", is written over a horizontal line.
